CQT PhD Scholarship

Adrian Nugraha Utama

Scientist at IMRE, A*STAR
Singapore

Summary

Physicists | Researcher | Datageek | Tinkerer | Explorer

I have this inexhaustible passion to understand how things work.

Experience

Institute of Materials Research and Engineering (IMRE)

Scientist

February 2023 - Present (1 year 2 months)

Singapore

Building quantum devices at National Quantum Fabless Foundry, IMRE

Centre for Quantum Technologies

Research Fellow

October 2021 - February 2023 (1 year 5 months)

Singapore

National University of Singapore

Physics Lab Assistant (part time)

August 2015 - May 2016 (10 months)

Johnson Bimbingan Belajar

Tuition Teacher (part time)

May 2015 - July 2015 (3 months)

Medan

Education

Centre for Quantum Technologies

Doctor of Philosophy - PhD, Physics · (July 2016 - July 2021)

National University of Singapore

Bachelor of Science (B.Sc.), Physics · (2012 - 2016)
